

## CHURCH PASSES 75TH BIRTHDAY

Methodists of City Celebrate  
Diamond Jubilee With Fit-  
ting Services.

WILL LAST FOUR DAYS

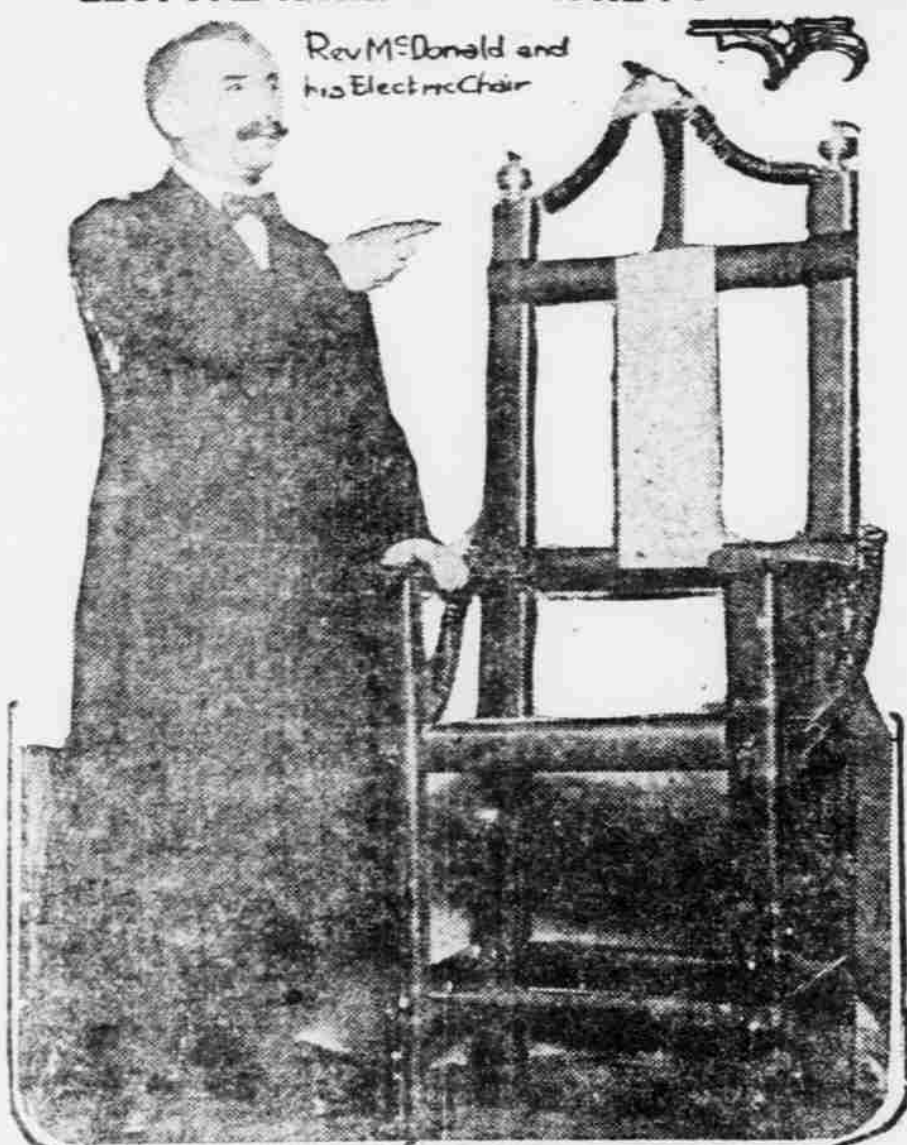

Reception Held Last Night Attended  
by Many Former Members of  
Congregation.

A crowd which practically filled the auditorium of the First Methodist church gathered last night at 7 o'clock at the anniversary reception which marked the opening of the diamond jubilee celebration and the passing of the 75-year mark in Rock Island Methodism. The church was beautifully decorated, a color scheme of red and white being used. White streamers hung from the walls relieved by a profusion of American flags and roses. American flags were draped around the room, and potted plants were placed throughout the auditorium. In a few well chosen words, Hon. William Jackson, the chairman of the jubilee committee, extended greetings to the public. He recalled certain epochs in the history of the local church and lauded the work which had been done.

**BISHOP MAKES SPEECH.**  
After a reading by Miss Eva Peters, Mr. Jackson introduced the speaker of the evening, Rev. Joseph Hartzell, who is the bishop of the Methodist church in Africa. Rev. Mr. Hartzell was born in Rock Island county and cherishes a deep regard for the Methodist church of this city. He and Bishop Isaiah Scott have charge of the church work in the entire continent of Africa. Bishop Hartzell has been brought into very close touch with the leading statesmen of England and other countries in a diplomatic way. The speaker expressed his pleasure in being able to be present on this occasion, and recalled a number of incidents in his long life. He paid a special tribute to Rev. S. Cummings, now pastor of the Second Methodist church of Moline, and spoke of the influence which he had exerted on his own life, and his part in inducing him to enter the ministry at the age of 16. The bishop stated that he was proud to be known as a Rock Island county boy. He spoke of some of the grand old men of the church and particularly of Judge Spencer.

**CHURCH IS GROWING.**  
In his travels, the bishop stated, that

## BAPTIST PREACHER GOES ON STAGE TO LECTURE AGAINST CAPITAL PUNISHMENT

Rev. George R. MacDonald, a Baptist clergyman of New York, has gone into vaudeville to lecture against capital punishment. He illustrates his lectures with a prison death chair in which an assistant appears, during the act, to be electrocuted.

it had been impressed on him more and more that Christianity was progressing throughout the entire world. He brought out the fact that Christianity had elevated woman from a low position in society to one of importance, so that she now occupies an important part in the affairs of today and was honored and revered. He spoke of the coronation of King Edward, at which he was one of the few invited guests, and told of the placing of the crown, and the observance made by the young prince of Wales, and the marks of respect was reached when, after all the pomp and ceremony, and the marks of respect paid to the king and queen, they divested themselves of their crowns and royal regalia, and kneeling, took the sacred communion. He made the point, that after the power of the rulers had been emphasized

and the many marks of respect had been paid to them, they knelt in communion, thus placing the Christian religion before everything else.

### MANY REUNIONS.

Bluer's orchestra furnished music throughout the evening, and light refreshments were served. Among the out-of-town guests present were: Dr. and Mrs. J. W. Prizelle, of Kankakee; Dr. F. W. Merrill of Amboy; Dr. and Mrs. Willey of Normal; Dr. and Mrs. R. B. Williams and daughter Ruby, of Normal; Rev. W. C. ### TWO AFTER CULLOM TOGA

Magill and Hurburgh to Run Against Senator.

Springfield, Ill., Oct. 27.—Senator Shelby M. Cullom, if he tries to succeed himself, is to have at least two opponents. They will be State Senators Charles R. Hurburgh and H. S. Magill, Jr. All present indications are that those two one-time friends will oppose each other for Senator Cullom's job. Magill will run as a Jones-Merriam redeemer, and reports are here that Charles B. Crane has agreed to put up \$10,000 to help him make the fight. Hurburgh is about ready to start as an independent. Governor Deneen still refuses to admit it, but all his friends understand that he will be a candidate for a third term.

## ONE WAY OF SAVING A BABY—FREE TO TRY

The mother does not live who would not do all in her power to keep her child healthy, but often she does not know how. So when a doctor of standing points the way all can afford to listen.

It is an accepted fact that nine out of ten of the troubles of infants and children is intestinal. You notice it by the fact that the child is constipated, it belches, is peevish and cries. Don't give a remedy that contains an opiate, because the child will get in the habit of needing it, and don't become alarmed and run at once for a doctor.

Try a scientific laxative first. Give a small dose of Dr. Caldwell's Syrup Pepsin, the remedy that is intended

for the use of children. It is mild, gentle and non-gripping. The remedy is absolutely pure and is guaranteed in every particular. Mrs. Toomey of Emingsville, Pa., and Mrs. Fred Crooms of Alanson, Mich., never give their children anything else. These are only a few among thousands of women.

You can buy a fifty cent or one dollar bottle of any nearby druggist, for they have all sold it for a generation, but if you want to test it on your child first send your address to Dr. Caldwell and he will cheerfully send you a free sample bottle.

Address him Dr. W. B. Caldwell, 541 Caldwell building, Monticello, Ill.
